PRESS ASSOCIATION.

ADMIRABLE PROGRAMME ARRANGED FOR THE MEETING THIS WEEK-A DAY AND NIGHT IN DANVILLE. COMBINING BUSINESS AND PLEASURE—EXCURSION TO PINEVILLE, WITH A DINNER IN HISTORIC CUMBERLAND GAP—WHO WAS IT?

The Executive Committee has arranged the following programme for the Press Convention:

Arrival at 7 a.m., Wednesday, July 4, in the special coach, "City of Danville," over the Louisville and Southern, reaching Danville at noon.

Business meeting, reading of papers, election of officers, etc., Wednesday afternoon.

Entertainment tendered by the citizens of Danville Wednesday evening.

Visit to Centre College and other points of interest Monday morning.

Leave Danville, Sunday, June 24, by the L. & N. railroad, for Pinetown over the Knoxville and Cumberland Valley branch roads, reaching Pinetown Friday morning.

Guests of the Pine Mountain Coal and Iron Company's hotel at Pinetown Thursday night.

Trip to Canonsburg Camp Friday.

Excursions and amusements provided by the Pine Mountain and Coal Company, with dinner supplied by the Cumberland Gap Tunnel Company.

Leave Pinetown for Louisville Friday night or Saturday morning as the menu permits.

No tickets or passes will be required on any part of the trip from Louisville to Cumberland Gap and return, passes to be issued for excursionists from Louisville and Danville. These privileges are extended exclusively to "house" editors or publishers and their ladies."

The excursion features the annual meeting of the Kentucky Coal and Iron Association, held after its annual session last year, and the sale of a mere pleasure jacket, but that the editors of the State may see for themselves the stores of mineral and timber wealth of the state, and the beauty of eastern Kentucky. Under these conditions, and with this purpose in view, it is hoped and believed that the business meeting in the historical old town of Danville will be a success, and that the mineral wealth section of the State will prove alike pleasant and profitable to all who take part in them and in the end redound to the commonwealth and world.

Thought to What Kill Him.

Dr. George Barnes, Feb. 10, 1888. Gentleman: I suffered from epilepsy for nearly two years, and was treated by three physicians, but they could find no cause for it. I was trying to get rid of them, and they told me that if I tried it any way, and after taking six or eight bottles, I was completely cured, and have never been bothered since. It and I, and I feel it in duty to you and suffering humanity to let it be known.

MONTGOMERY HOUSE, Will, April 1, 1888.

To the Swift Specific Co., Atlanta, Ga.

Gentlemen: My wife had a cold which would not attack until with a severe affection that for a time destroyed her eyesight entirely, and caused me to despair of her life. She was treated by the best physicians without benefit. We finally gave her Swift's Specific which soon relieved her entirely, and she is now as pale and haggard a child of three as can be found anywhere.

E. V. DEEL.

WACO, TEXAS, May 8, 1888.

Gentlemen: The wife of one of my closest friends, while she was married to a husband she despised, had tortured her whole body. She was confined to bed for several years by this affliction, and could not help herself at all. She could not sleep from pain, yet slept in the dead of night. I am sure the case baffled the skill of the physician who treated her. Her husband began finally giving his wife Swift's Specific, and continued to improve almost immediately. In a few days she was apparently well. She is now a haggard, fine-looking lady, with no trace of the affliction left. Yours very truly,

J. E. SEARS.
